Read again the story as told by the cable Wednesday night :

SEATTLE, June 24.---The Ford Car entered in the transcontinental race from New York to Seattle, arrived here yesterday, the winner of the transcontinental cup and a purse of \$2,000. The time made was twenty-two days and fifty-five minutes.

THE CAR IN THIS RACE WAS NOT SPECIALLY BUILT FOR THE PURPOSE, BUT WAS A STOCK CAR.

The FORD Car shown on this page is the car that won the race from New York to Seattle, via St. Louis, covering 4,500 miles in twenty-two days. The reason for this achievement is that it is built of the right material and designed by a master hand. It is fast, easy to handle on difficult roads.

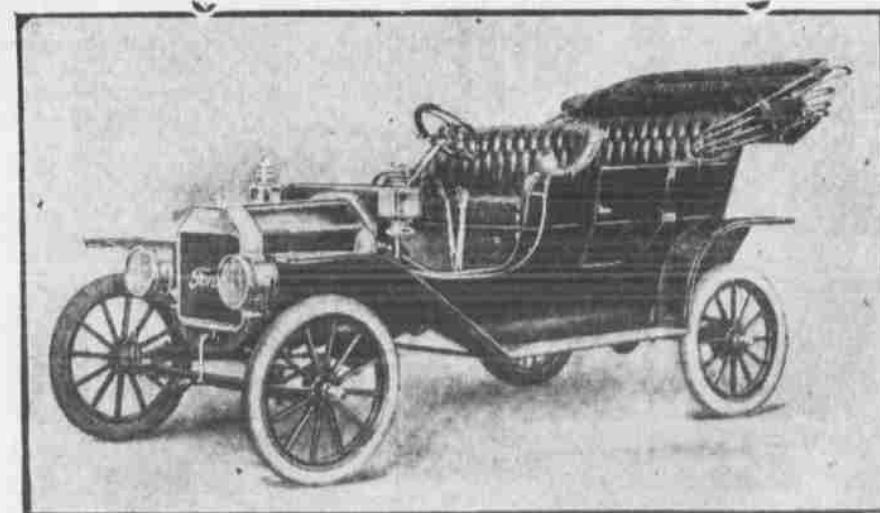

And What The FORD will do on the American Continent, the Car can be depended upon to Accomplish in Hawaii. It is The OLD RELIABLE, the Car of Endurance, of Simplicity, of Style, of Speed and of Economy.

THE FORD IS TODAY A LEADER OF STANDARD CARS AT A LOW PRICE.
